Education Technology Summit

Handbook

About Us

The Education Technology Summit (ETS) acts as a vibrant technology community at the intersection of education, entrepreneurship, and technology, showcasing pioneering solutions and innovative ventures that are transforming the landscape.

It explores how technology is revolutionizing education and empowering entrepreneurs to drive change and create impactful initiatives.

Vision Statement

ETS envisions a transformative community that nurtures the next generation of innovators across tech, business, education, and health industries.

We are committed to fostering a dynamic environment where vibrant minds converge to become world-class professionals, driving change and shaping the future across various sectors.

"Our vision is to lead a global revolution in education and beyond. Envisioning a future where innovation transcends boundaries, we strive to empower learners and organizations with the skills and resources necessary to navigate and excel in an ever-evolving digital landscape. Through our transformative initiatives, we aim to ignite a culture of continuous learning, drive unprecedented progress, and shape a world where technology serves as a catalyst for limitless growth and opportunity."

Mission Statement

Education Technology Summit

"Our mission is to provide a dynamic platform for collaboration, idea exchange, and the showcasing of cutting-edge, tech-inclined solutions that revolutionize educational practices and extend innovation across diverse sectors.

By enhancing student outcomes and ensuring that all learners are equipped with the skills and tools needed to excel in a rapidly evolving digital world, we aim to drive transformative change and empower individuals and organizations to thrive in an increasingly tech-driven landscape."

ETS aims to empower over 2,000 innovators, educators, edtech professionals, entrepreneurs, tech enthusiasts and learners within the next 5 - 7 years through innovative technology solutions and impactful initiatives.

Our Operating Framework

Our approach is defined by a commitment to excellence, innovation, and inclusivity.

This framework ensures that all activities and initiatives align with our core values and objectives.

Communication Network

We utilize various channels like Twitter, Instagram, Googlemeet, WhatsApp, and Email to ensure seamless communication among members.

Regular updates, announcements, and discussions are shared to keep everyone informed and engaged.

Events & Gatherings

We organize summits, workshops, and webinars focused on education technology.

These events serve as a platform for learning, networking, growth and collaboration among participants.

Knowledge Collaboration

Through webinars, online courses, and resource-sharing platforms, we promote continuous learning and skill development. Members are encouraged to share their knowledge and expertise to uplift the community.

Collaboration & Alliances

We actively seek partnerships with educational institutions, tech companies, and other stakeholders.

These alliances help us expand our reach, access resources, and create impactful programs.

Mentorship & Growth

Our mentorship program connects experienced professionals with students and early-career individuals.

This fosters personal and professional development, helping members achieve their goals.

Equity & Inclusion

We are dedicated to creating an inclusive environment where everyone, regardless of background or identity, feels valued and respected.

Our initiatives aim to promote diversity and equal opportunities.

Support & Connections

We provide a support system for members, offering guidance, resources, and networking opportunities.

This helps in building strong professional relationships and fostering a sense of community.
